Dear Prospective Student:

Thank you for your interest in the New Millennium Real Estate School Principles of Real Estate program. At the New Millennium Real Estate School, we are committed to providing you with the best education possible to assist you as you begin your career in real estate.

Our program is approved by the state of Maryland to fulfill the 60-hour educational requirement necessary to take the Maryland Real Estate Salesperson’s Examination. Upon successful completion of our course, students who achieve the required attendance, academic, and financial responsibilities associated with this program will become eligible to register to take the Maryland Real Estate Salesperson’s PSI Examination. A state exam registration form and the procedures for taking the licensing examination will be provided to you by your instructor.

After you have successfully passed your PSI examination the final key steps towards starting a career in real estate is to determine what you hope to do with your license, along with selecting a brokerage. As a student in the New Millennium Real Estate School you will be provided the opportunity to interview with one of our Broker/Managers if you so desire. Of course, this opportunity to interview, does not obligate or ensure your employment with CENTURY 21 New Millennium; but it allows you to weigh your many options as you seek the real estate brokerage that is the best fit for you.

Once again, thank you for your interest in the New Millennium Real Estate School. We wish you the best of luck as you pursue your real estate studies.

Sincerely,

Mary Lynn Stone

   The program tuition and fees must be paid in full at the time of enrollment. Acceptable forms of payment for New Millennium Real Estate School include: Visa, MasterCard, money order, or cashier’s check.

   PERSONAL CHECKS, CASH OR AMERICAN EXPRESS ARE NOT NEW MILLENNIUM REAL ESTATE SCHOOL APPROVED FORMS OF PAYMENT.

2. ATTENDANCE POLICY

   The Maryland Real Estate Commission requires a minimum of 60 instructional hours prior to registering for the PSI Salesperson Real Estate Exam. Therefore, students must attempt to attend every class.* Hours missed cannot exceed 12 hours. If the hours missed is up to and not exceeding 12 hours, the student can make up the necessary hours in the next available class or scheduled make-up sessions. A certificate of completion will not be awarded until the missed hours are made up.

   Students are expected to be on time and ready for class at the scheduled times. Students who arrive more than 10 minutes late or leave more than 5 minutes early will be counted as absent for that hour of class and will be required to make up the class time.

   A student must achieve at least an 80% attendance rate in order to graduate from the program in which they have enrolled. A student’s attendance will be evaluated at the end of each module. If a student’s attendance is below 80% at the end of a module, a student will be placed on attendance probation for the following module. If, at the end
of the next module (probationary period) the student’s attendance rate is below 80%, the student will be terminated from the program.

If a student misses more than 12 hours, the student will be deemed in non compliance with the required attendance requirement and will be dismissed from the program. The student can request to be re-admitted into a subsequent program offered by New Millennium Real Estate School. The school will not grant credit hours for previous instruction, training or experience. In the event that an evening’s class must be cancelled, all students will be contacted as soon as possible to notify them of the cancellation. The cancelled class will be made up to ensure that all 60 hours are completed.

*The first day of class is mandatory and cannot be made up.*

**LEAVE OF ABSENCE POLICY**

New Millennium Real Estate School does not offer a leave of absence exemption. Any entitlement of tuition refund will be based upon New Millennium Real Estate School’s Refund Policy.

**3. GRADING PROCEDURES**

The grading system is as follows:

A 95-100%  C 75-84%
B 85-94%  F 74% or below

To successfully complete the program, a student must achieve a cumulative minimum average of 75% on all quizzes and the mid-term, and achieve a minimum 75% grade on the final examination. The quizzes and mid-term will count toward 25% of the student’s final grade, while the final exam will count toward 75% of the final grade.

For example, a student whose quiz and mid-term average is 80% and whose final exam score is 90% would receive a course grade of 87.5%, resulting from the following calculation:

\[
\begin{align*}
.25 \times .80 &= 0.200 \\
.75 \times .90 &= 0.675 \\
0.875
\end{align*}
\]
Scores will be maintained on the student’s Permanent Record Card and be made available to students on a regular basis and upon request. Requests for transcripts must be made in writing and sent to New Millennium Real Estate School, 23063 Three Notch Road, California, MD 20619. Requests must list the dates of attendance along with the location of enrollment while in the program. There is no fee for this service.

SATISFACTORY ACADEMIC PROGRESS

A student’s academic progress will be evaluated through the administration of four graded quizzes, a mid-term examination and a final examination. Grades from the quizzes and mid-term examination will be made known to the students at the beginning of the class immediately following the testing. The instructor will counsel students who do not achieve satisfactory scores on the first two quizzes. If the student’s cumulative average is below 75% after the administration of the first two quizzes and the mid-term examination, the student will be terminated from the program.

Students who receive a final grade under 75% or withdraw from the program will be given the opportunity to repeat the program at full tuition price. A request for re-enrollment must be made to the School Director at 301-862-2169 and admittance is subject to space availability.

All enrollment, attendance and academic progress forms will be maintained in the student’s permanent file for the lifetime of the school. In the event of the school closing, the Maryland Higher Education Commission becomes the repository of the student records.

REFUND POLICY

All fees paid by the student shall be refunded if the student chooses not to enroll in or to withdraw from New Millennium Real Estate School and must be within 7 calendar days after having signed the enrollment agreement.

If the student chooses to withdraw after the 7-day cancellation period but before the first day of instruction, the School will retain in full the monies paid for the student’s textbook fees. Textbooks are the property of the student and are not eligible for refund except within the 7 day cancellation period.
